Dear John:

It was nice talking to you the other day. Thank you for the original art work and the note pads. I appreciate your presenting me with a memento of the recent campaign.

I enjoyed the drawings of myself and the other Mayoral candidates when they first appeared in the newspaper during the recent campaign, and am looking forward to seeing more of your work.

Warm personal regards.

Sincerely,

A handwritten signature in black ink, appearing to read "Frank Fasi". The signature is stylized with a long horizontal stroke extending to the left.
